INSURANCE AND PRE-QUALIFICATION PROCESS

- We have streamlined our insurance certificate review and pre-qualification process.
- You will be required to provide blanket rather than project-specific insurance.
- Blanket insurance provides coverage to Barton Malow only when specifically required by a written contract.
- Blanket insurance will satisfy all insurance requirements for any purchase orders issued to your company during the policy period.

IF YOU ARE A NEW SUBCONTRACTOR OR VENDOR THAT IS SUBMITTING INFORMATION FOR THE FIRST TIME:

- You must also have an account in www.BuildingConnected.com. Your entity name and mailing address must be typed EXACTLY the same in your prequalification, your insurance certificate and your W9 form.
- We have attached sample documents including a certificate of insurance and acceptable additional insured endorsements. Please provide these directly to your insurance agent.
- We do not accept any additional insured forms that do not strictly conform to our contractual requirements.

IF YOU ARE AN EXISTING SUBCONTRACTOR OR VENDOR THAT HAS PREVIOUSLY BEEN PREQUALIFIED:

- You will receive a renewal notice when your insurance expires. At that time, you will be required to update your prequalification information.

Barton Malow Holdings strictly adheres to the contractual requirements regarding insurance certificates and additional insured endorsements for our subcontractors, vendors, and suppliers. Many standard forms utilized by insurance companies do not conform to our requirements, and significantly limit the scope of the insurance provided to Barton Malow Holdings in the event of a claim or lawsuit.

Please review the required insurance endorsement or contract language with your insured. The requested insurance coverage is commercially available.

Our contracts require that Barton Malow Holdings and all other entities, as required by written contract, shall be endorsed as additional insureds on the following:

“Subcontractor’s liability insurance policies (including general liability, excess liability, automobile liability and pollution liability, where applicable) for liability arising out of activities, operations or “work,” performed by or on behalf of Subcontractor, including BMH and/or Contractor’s general supervision of Subcontractor, products and completed operations hazard of Subcontractor, and automobiles owned, leased, hired or borrowed by Subcontractor. The coverage provided by the additional insured endorsement(s) shall be at least as broad as that provided in the Insurance Service Office, Inc.’s Additional Insured Endorsement Form CG 20 10 11 85. Forms that do not provide additional insurance for the “products and completed operations hazard,” will not be accepted. In no case shall any additional insured endorsement exclude coverage for BMH or Contractor’s own negligence, nor limit coverage for BMH or Contractor only to potential liability incurred solely as a result of Subcontractor’s acts or omissions.”

“Subcontractor” defined above includes vendors, suppliers, professional service providers, general service providers, and material deliverymen.
Barton Malow will accept the following additional insurance endorsements:

- CG 2010 11 85
- CG2010 10 01 coupled with the CG2037 10 01 forms.
- CG7048 10 15 (this is not an ISO form, but it is an example of an acceptable “scripted equivalent” form)

We will accept any manuscript form or “scripted equivalent” form that provides the following coverage:

Blanket additional insured form as required by written contract:

- For liability arising out of your ongoing operations AND
- For liability arising out of “your work” performed for that insured and included in the “products-completed operations hazard”

Examples of Additional Insured forms that are unacceptable:

- CG 20 33 (all versions)
- CG 20 10 (07 04 version or later)
- CG 20 37 (07 04 version or later)
- CG 70 49 (all versions)
- CGD 246 (all versions)
- CGL 8820 (all versions)

WE ALSO REQUIRE

- The additional insurance provided must be primary and non-contributory with any other insurance or self-insurance maintained by the additional insured, whether on a primary, umbrella or excess basis.
- Each insurer must carry AM Best’s rating of A-VII or better.
- Each policy must be endorsed so that the issuing insurer will provide thirty (30) days written notice of cancellation to the BMH, Contractor and/or any additional insureds.
- Waiver of subrogation required for all coverages, unless statutorily prohibited.

A sample certificate of insurance and the acceptable Additional Insured forms are attached for your reference and convenience.

We thank you for your time and cooperation. We look forward to working with your company on a future project.

Thank you.
